“LaCarte”
Purchasing Card and CBA Policy

I. “LaCarte” Purchasing Card and CBA Program

A. Policy Statement

It is the policy of the Louisiana Community and Technical College System (System) to allow for the establishment and administration of the “LaCarte” Procurement Card and CBA Program (Card) at the various colleges in the System. The individual colleges will issue college specific procedures for the possession and use of the Card in accordance with the La Carte Purchasing Card and CBA Policy issued by the Division of Administration.

The La Carte Purchasing Card is a tool used to assist in the management of purchasing, payment and accounting. The La Carte Purchasing Card is a Visa card issued by Bank of America (BOA) for the State of Louisiana. This card will enable employees to purchase items with the convenience of a credit card, while providing management with a means of maintaining control over those purchases. The use of this card will improve efficiency and effectiveness by reducing costs associated with processing purchases and payments and will allow for the receipt of goods on a timely basis.

A college may allow a single purchase limit (SPL), college-wide or on an individual card basis, up to \$5,000 without prior approval from the Office of State Purchasing and Travel. In addition, the card cycle limit may be determined by the college. Limits set by the college should reflect individual’s purchasing pattern. Using the La Carte Purchasing Card for purchases of supplies, equipment, operating services and/or major repairs must comply with proper purchasing procedures, rules and regulations, Louisiana Statutes and Executive Orders.

It is the responsibility of the colleges to set individual cardholder's single purchase limits. The Office of State Purchasing and Travel must approve in writing any authority for a SPL or one time override to be above \$5,000. Requests will be considered if the college is in compliance with the program, with the state guidelines, adequate staff experience and training are demonstrated with factors that promote the overall use of the program and if the approval by State Purchasing and Travel is determined to be in the best interest of the state.

Multiple purchases may be made with the La Carte Purchasing Card for contract purchases, each day, up to but not exceeding \$5,000 per contract. College must have an internal policy to ensure that purchases from contract vendors are for each contract's specific approved contract items.

Also, purchases should never be artificially divided to avoid the La Carte Purchasing Card policy limits.

Section 6 of the current Small Purchase Executive Order reads "In absence of a good faith business basis, no purchase or procurement shall be artificially divided within a cost center or its equivalent, to avoid the competitive process or the solicitation of competitive sealed bids".

This policy and the related procedures along with the use of the La Carte Purchasing Card program do not negate any current Purchasing Policies, Rules and Regulations, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy and/or PPM49, if approved, as all must be followed when using and administering the La Carte Purchasing Card and this policy.

B. Conditions of Participation

All colleges, as a condition of participation in the State Corporate Liability La Carte Purchasing Card/CBA Program shall abide by the terms of this policy unless a "Request for Exception" form, is submitted and approved by the Office of State Purchasing and Travel.

All program participants, i.e. program administrators, cardholder, CBA administrators and cardholder approvers are required to complete an online certification class, annually, receiving a passing grade of at least 90 in order to receive a new La Carte Purchasing card, a renewal La Carte Purchasing card, remain as CBA administrator or remain as a cardholder approver. These certifications will be developed and updated, as necessary, by the Office of State Purchasing and Travel and the college will be notified as soon as they are approved. All program participants will be given ample time to obtain this certification once notified. Note: The certification class for the CBA administrator would be the same as a cardholder's certification.

A cardholder's approver must be a supervisor of the cardholder which would be at least one level higher than the cardholder. The approver must be the most logical supervisor which would be most familiar with the business case and appropriate business needs for the cardholder's transactions.

To allow for proper and complete program audits, all program participants, will be mandated to implement WORKS Workflow, which is an online system through Bank of America. The system captures transactions; Workflow requires both cardholders and cardholder approver's electronic signatures, along with the ability to maintain receipts and backup supporting documentation in one central location through the scanning feature which is also being mandated, therefore, assisting with audits and reviews. The system allows for an additional level of approvals, beyond the cardholder and approver. Another function of Workflow allows accounting information to be coded by the cardholder for each transaction. The accounting function is mandated for ISIS/LaGov interfaced colleges which would ultimately be interfaced to the ISIS and LaGov systems. For all other colleges/post secondary/board/commissions, which are not ISIS/LaGov, interfaced colleges, although it is still mandated for the college to utilize Workflow including scanning capabilities, the college will not be required to interface with any accounting system.

College program participation requires annual review of the college's program conducted by the college's internal audit section.

All receipt and supporting documentation must be scanned and tied to the applicable transaction and not as one image for all transactions.

During implementation and continuation of users into Workflow, ensure that every cardholder's business email address matches the cardholder's name. Another cardholder's email address may not be used without prior approval from the Commissioner of Administration. This is done for security reasons and to protect all cardholders.

Monthly reviews and inquiries, requested from the Office of State Travel, Division of Administration auditors, etc, to college program administrators, must be answered in the time specified in the request. At this point, for monthly reviews, only justification is required for each transaction, along with program administrator and college verification and determination that the transaction was for a business purpose and was in compliance with all state and college card program policies, purchasing rules and regulations, statutes, executive orders and PPM49.

All cardholders, program administrators, CBA Administrators and cardholder approvers must sign the most current (See Attachment B) State of Louisiana Corporate Liability La Carte Purchasing Program Agreement Form for the applicable program role on an annual basis. Agreements acknowledge and outline the applicable responsibilities under the program.

No La Carte Purchasing Card shall be issued to any college program administrators, department head, CBA administrator or auditor or any other roles associated with administering, monitoring or reviewing the activities of the La Carte Purchasing card program, no employee, for travel allowances, whose state's individual liability travel card account has been revoked due to charge-offs and/or non-payment, as well as any non-state employees. If it is justifiable hardship for one of the above positions to not be allowed to possess a La Carte Purchasing card, a written request must be submitted to the Commissioner of Administration including detailed justification as to why this is not feasible and what precautions will be taken to guarantee the security and validity of purchases. Specific approval from the Commissioner of Administration must be obtained prior to issuing a card to an individual serving in any of these roles.

The only exception regarding an employee possessing a card with a role in the program is a cardholder approver. However, in order for a cardholder approver to possess a La Carte Purchasing card, monthly audit, sign-off in Workflow system (once implemented into Workflow), and all other responsibilities listed throughout this policy for a cardholder approver, must too be fulfilled by someone which is at least one level higher than the approver.

All transactions and supporting documentation must be, at a minimum, randomly audited, by a second party; either the college's fiscal section or the college program administrator.

It is strongly urged that colleges establish controls for pre and post approval of items purchased on the La Carte Purchasing card.

Additional documentation steps, that are strongly recommended, which would strengthen controls in the review process include:

- Documenting the reason for the purchase (case number, project, etc.) on the receipt along with signature from cardholder and supervisor.
- Inventory type purchases (electronic, etc.) should have "received by" and a signature on packing slip or other shipping documentation to ensure that the purchase arrived and is accounted for at the college.

Any recognized or suspected misuse of the La Carte Purchasing card program should be immediately reported to the college program administrator and may be anonymously, reported to the State of Louisiana Inspector General's Fraud and Abuse Hotline at 1-866-801-2549 or for additional information one may visit <http://oig.louisiana.gov/index.cfm?md=pagebuilder&tmp=home&nid=3&pnid=0&pid=4&catid=0>.

In the event that a college/public post secondary entity fails to comply with the requirements for participation in the La Carte Purchasing card Program, the result of noncompliance may be removal from the La Carte Purchasing card/CBA Program.

C. Definitions

Account holder/ Cardholder - terminology used to reference the employee that has been issued a La Carte Purchasing Card.

Agreement Form – A form signed by a program administrator, cardholder and cardholder approver, annually, that acknowledges they have received required training from college, completed the state’s certification requirement and received a passing score of at least 90, understands the La Carte Purchasing Card Policies, both state and college and accepts responsibility for compliance with all policies and procedures.

Cardholder Enrollment Form – A form that initiates the La Carte Purchasing Card issuance process for the cardholder.

CBA (Controlled Billed Account) –a credit account issued in a college’s name (no plastic cards issued). These accounts are direct liabilities of the State and are paid by each College. CBA Accounts are controlled through an authorized approver(s) to provide means to purchase any allowed transactions/services allowed in the current State Liability Travel Card and CBA Policy. Please realize that although other travel related charges are now allowed on the CBA account, the traveler needs to ensure that the actual “plastic” is not necessary, as there is no plastic issued for a CBA account.

Cycle - the period of time between billings. For example, the State of Louisiana La Carte Purchasing card closing period ends at midnight the 5th of each month. Synonymous with “billing cycle”.

Cycle Limit – maximum spending (dollar) limit a La Carte Purchasing card/CBA is authorized to charge in a cycle. These limits should reflect the individual’s purchasing patterns. These are preventative controls and, as such, should be used judiciously.

Disputed Item – Any transaction that was double charged; charged an inaccurate amount, or charged without corresponding goods or services by the individual cardholder.

Electronic Funds Transfer (EFT) – an electronic exchange or transfer of money from one account to another, either within the same financial institution or across multiple institutions.

SPL (Single Purchase Limit) - the maximum spending (dollar) limit a La Carte Purchasing card is authorized to charge in a single transaction. The SPL limit may be up to \$5,000; however, this limit should reflect the individual's purchasing patterns. These are preventative controls and, as such, should be used judiciously. Purchases shall not be split with the intent of and for the purpose of evading the La Carte Purchasing card single purchase limit set for cardholder.

The documentation is also used for reconciliation at the end of the billing cycle and is to be retained with the monthly reconciliation documentation for review and audit purposes. II. Purchasing Card Administration

A. Office of State Purchasing and Travel Responsibilities

The State of Louisiana, Office of State Purchasing is responsible for the statewide contract administration of the Corporate Liability Purchase Card/CBA Program. The State Purchasing Card Administrator will serve as a central point of contact to address all issues and changes necessary to the overall program, and coordinate such changes with the contractor, Bank of America.

The Office of State Purchasing will issue and maintain the State “LaCarte” Purchasing Card CBA Policy as contained herein. If state policy or the program limits are changed statewide, revised La Carte Purchasing card/CBA Policy will be issued by the Office of State Purchasing and Travel. College exceptions granted on a case-by-case basis will be in writing and forwarded for the records of the colleges.

The Office of State Purchasing will approve College participation in the program and recommend allowable Merchant Category Codes (MCC), and their limits, if applicable. Cash will be blocked from use in this program. Travel merchants, including food merchants, are blocked unless a request is made by a college to support use of travel and food merchants along with strict guidelines outlined in the college policy in accordance with the current State Liability Travel Card and CBA Policy and current PPM 49 guidelines, and the written approval given by the Office of State Purchasing and Travel is required prior to allowance of any travel expense on the purchasing card.

If travel allowances are requested for individual employee use, only MCC allowances outlined in the State Liability Travel Card and CBA Policy will be allowed. CBA accounts may now be opened to allow all MCC Codes/Groups outlined in the current State Liability Travel Card and CBA Policy. Procedures must be developed in your College policy regarding travel purchases. Please realize that although other travel related charges are now allowed on the CBA account, the traveler needs to ensure that the actual “plastic” is not necessary, as there is no plastic issued for a CBA account.

The only travel exclusion which does not require State Purchasing and Travel approval is rental car allowances. At the College’s discretion, cardholders are allowed to use their LaCarte for in-state rentals at Enterprise Rent A Car (MCC Code 3405), and for out-of-state rentals at Enterprise Rent A Car (MCC Code 3405), National Car Rental (MCC Code 3393) and Hertz Car Rental (MCC Code 3357).

College exceptions granted on a case-by-case basis will be in writing on the exemption request form and forwarded to the Office of State Travel.

B. College Responsibilities

College responsibilities include administration of their Corporate Liability Purchasing Card/CBA program, and compliance with state guidelines identified here and in the State Accounting and Purchasing Card Manual, any current Purchasing Policies, Rules and Regulations, Louisiana Statutes, Executive Orders and/or current State Liability Travel Card Policy and PPM 49, if applicable.

The College chancellor will be responsible for designating the College Purchasing Card/CBA Program Administrator(s) and for notifying the State Program Administrator at the Office of State Purchasing and Travel of any changes in the department head or program administrator(s).

The College is responsible for developing a policy documenting all internal procedures and ensuring that they are in accordance with the guidelines of the Corporate Liability Purchasing Card/CBA Policy including a definition of split purchasing along with a statement that a single purchase shall not be artificially divided to avoid the SPL or procurement procedures. Also, policy should be reviewed and updated when necessary with changes/additions which may occur in the College's internal procedures and/or State's policy including updating of MCC Codes, as necessary, when provided by the Office of State Purchasing and Travel and Bank of America.

The College Program Administrator(s) will be responsible for keeping abreast of program updates as they are sent as email updates and are posted on the Office of State Purchasing and Travel Website along with dissemination of this information to the Department Head, Cardholders, and any other College personnel as deemed appropriate.

Colleges are responsible for performing post audits of cardholder transactions to monitor appropriate use while verifying that purchases are made in accordance with Corporate Liability "LaCarte" Purchasing and CBA Card Policy, all purchasing rules and regulations and with PPM 49, if applicable. Remember all transactions MUST have a receipt. The bank will provide reporting capabilities at no cost to each College.

Monthly certifications that the procedures of audit section of this policy have been conducted must be submitted to the Office of State Travel. The certification will indicate that college personnel administering the La Carte Purchasing Card Program has generated the required reports, all requirements listed in policy have been completed, and necessary findings have been investigated, documented and handled appropriately.

It is the policy of the System that the individual college policies will not be reviewed or maintained in the offices of LCTCS. Each College is entirely responsible for all aspects of administering the program as well as:

1. Determining appropriate cardholders and setting individual cardholder limits for single transactions, daily and/or cycle transaction limits. While we recognize certain business transactions require higher limits exceeding \$5,000 and may be granted by submitting a "Request for Exception Form" to the Office of State Purchasing and Travel for approval, colleges are cautioned when increasing SPL that best practice calls for the SPL to be limited to the lowest necessary SPL that is needed for the duties of that individual. The "Request for Exemption Form" would also be applicable to open any MCC Codes which are classified as either "P" for prohibited or "R" for restricted. It is also best practice to issue only one card per cardholder.

2. Monitoring for cardholder accounts which are not active and adjusting SPL's and/or monthly cycle limits accordingly based on possible change in needs and cancellation of card, when not utilized in a twelve month period. A card may only remain active, if dormant for a 12 month period, by justification and approval from the Office of State Travel. If approval is granted, the card must be suspended and profile changed to \$1 limit until future need for activation. An example of the need for a card that may be dormant for 12-months is that the card is being maintained only for emergency situations.
3. Development of a purchasing card log used to assist in reconciliation process.
4. Developing procedures for travel allowances in accordance with State Liability Travel Card and CBA Policy, if requested by the college and approved by the Office of State Purchasing and Travel.
5. Determining allowable merchant category codes based on individual needs and the State's allowances.
6. Educating program participants on state and college policy requirements, procedures and allowances.
7. Educating program participants on use of the card sales tax requirements.
8. Maintaining budgetary controls.
9. Establishing procedures, as part of exit paperwork, to collect and cancel cards upon termination of the employee. Exit procedures include a review by the cardholder and supervisor and/or program administrator of all current charges on the account, verifying that all necessary supporting documents, receipts and required signatures have been obtained. Cards should be returned to the college program administrator to cancel and destroy.
10. Educating cardholders on process of reporting a card lost, stolen and/or any fraudulent activity.
11. Requesting cards, users in WORKS and performing any maintenance necessary for college cardholders. Issuing secure User ID's for each cardholder, approver, CBA administrator, accountant, auditors and college program administrator in all WORKS applications if the online system is implemented.
12. College policy must specifically address how an employee's absence during approval process of transactions will be handled, especially once college has implemented the WORKS Workflow system.
13. Monitoring the issuance of cards, ensuring prompt reconciliation of periodic statements.
14. Establishing procedures for reducing La Carte Purchasing card cardholders to \$1 limits or suspending the card during an extended absence and/or until the cardholder returns. This will be done to protect the cardholder and the college during their absence.
15. Establishing and enforcing personnel policies to discipline employees in the event of abuse or failure to comply with established guidelines. Ensure that the consequences, outlined in the college's policy are executed and all program participants are aware of the consequences of certain actions involving the La Carte Purchasing card Program.

16. Developing procedures to cover both La Carte Purchasing card and T-Card, if approved, for recovering unauthorized charges and/or overage of allowances as defined in PPM49. If abuse, whether accidental for La Carte Purchasing card and T-Card such as travel incidentals, occurs more than twice, cancellation is strongly encouraged.
17. Developing procedures for state, city, parish tax reimbursement for unauthorized tax exempt purchases, including travel if approval is requested and granted. Also See State Liability Travel Card and CBA Policy.
18. Maintaining list of all college cardholder's names.
19. Establishing college Corporate Business Accounts (CBA's) and determining proper administrators/approvers. The contract travel college must be notified of authorizers for each CBA account.
20. Annually, the department head, along with all cardholder approvers shall review cardholders, cardholder limits and ensure appropriate utilization. A file shall be maintained showing compliance with this requirement.
21. Develop procedures for online accounts, such as Amazon, PayPal, EBay, etc. These types of accounts, if necessary and allowed for use by an employee, must have a standalone business account or registration and must not be combined with an individual's personal account. By doing this, it allows the college access to view the accounts online while verifying that all purchases were business related, email receipts were not altered and that all purchases are being delivered directly to the college.
22. NON-ISIS Accounting Interface:
Colleges will assign codes specific to their accounting system. These assigned account numbers will track purchases as deemed necessary.
23. Non-Interface Colleges:
For any college not receiving an interface into their accounting system, it will be the college's responsibility to ensure that the reconciliation is completed and payments are paid in full, timely each month, with ONE electronic funds transfer (EFT) to Bank of America.

C. Supervisor / Reviewer Responsibilities

1. Obtain annual approver certification through the State's online certification training program in which a passing grade of at least 90 must be obtained.
2. Obtain college program training and sign an Approver Agreement Form, annually, with originals given to college program administrator along with approver receiving a copy.
3. Obtain, review and understand the state and college policies and all applicable rules, regulations, policies, procedures, guidelines, statutes, executive orders and PPM49, if applicable.
4. Keep well informed of program updates as sent from college program administrators or anyone associated with the State Liability La Carte Purchasing card Program.
5. Ensure that a log is completed by each cardholder, that the log corresponds with the monthly billing statement and that the log and statement are signed by both approver and the cardholder.

6. Always submit approvals with all necessary documentation including complete line item descriptions where generic description is on receipts such as “general merchandise” (both paper and electronic) in a timely manner.
7. Ensure that supporting documentation, including the signed log or approved electronic log and signed statement, by both approver and the cardholder, along with any findings and justifications are sent to the college’s fiscal office for review, where the documentation will be maintained in one central location, in accordance with the state’s requirements and the college’s policy.
8. Immediately report any fraud or misuse, whether actual, suspected or personal charges to the college program administrator, as well as, college head and other personnel/colleges as required. An approver will participate in any disciplinary actions which may be deemed appropriate, if necessary.
9. Notify a college program administrator, immediately, upon separation, change in department/section or during extended leave for any cardholders in which you are the approver.
10. Complete an exit review, with the cardholder, of the cardholder’s transactions, supporting documentation and receipts, as well as, obtaining necessary signatures prior to departure.
11. Ensure that the La Carte Purchasing card is obtained from the employee upon separation or change in department/section and return card to college program administrator. Ensure that college program administrator makes necessary changes to cancel the card and to remove approver as the employee’s approver and/or employee from the list of cardholders for which approver is responsible.
12. Ensure that either approver or the cardholder notifies the college program administrator if card is lost, stolen or has fraudulent charges. Ensure the cardholder immediately notifies the bank as well.
13. Review, at a minimum annually, all cardholders which approver is designated as an approver along with profile limits to ensure appropriate utilization of the card and program intent. This will ensure that all cardholders limits, MCC Codes, etc., are working properly for the cardholder. If limits or codes are not allowing the cardholder to perform his duties, then approver should contact the college program administrator to make necessary adjustments.
14. Ensure that cardholder is never a final approver of his own monthly transactions.
15. Ensure each transaction, to the best of approver’s knowledge:
16. Has an appropriate business purpose, fits the cardholder’s business needs, and is audited including a review of all supporting documentation.
17. Is in compliance with all current purchasing rules and regulations, statutes, executive orders, policies and PPM49, if applicable.
18. Is in compliance with the college’s policy and the State’s Corporate Liability La Carte Purchasing card/CBA policy and State Liability Travel Card and CBA Policy, if applicable.
19. Does not include state tax, as this program is state tax exempt.
20. Includes all required and complete documentation, including a detailed receipt, supporting the transaction and all documentation is scanned into Workflow and tied to the appropriate transactions.

21. Is not a duplication of personal request and/or reimbursements, if for travel related expenses.
22. Has been verified to ensure that each transaction has a receipt and the receipt's date, supporting documentation and documentation dates, along with the log dates, correspond with known business needs or trip allowances and dates, if applicable and travel has been approved, along with program cycle dates (which begin the 6th of one month and ends the 5th of the following month).
23. Has been coded properly for payments as outlined in the college policy and procedures and as required in Workflow for ISIS and LaGov interfaced colleges.
24. Secure all assigned WORKS application User IDs and passwords. Never share User ID and passwords and/or leave the work area while logged into the system or leave log-in information lying in an unsecure area.
25. Understand that failure to properly fulfill responsibilities as a La Carte Purchasing card approver could result, at a minimum, in the following:
26. Written counseling which would be placed in employee file for a minimum of 12 months.
27. Consultation with college program administrators, and possibly head of college and internal audit section.
28. Disciplinary actions, up to and including termination of employment. Legal actions, as allowed by the fullest extent of the law.

D. Audit Reports

Attachment A contains a list of reports created for colleges to use for monthly audit requirements of this program through WORKS and Intellilink. Some reports are required to be generated and reviewed at least once a month, while others have been created and designed as added value to assist in policy compliance. Although all of the reports are not required monthly, colleges are strongly encouraged to determine which of the reports are of the most value to them and should consider rotating them, at a minimum every other month.

When running these reports, it is the college's responsibility to not only review the data gathered, but to make certain that transactions are for a business purpose and have a legitimate business need for the cardholder. In the event that a transaction is being investigated, the cardholder must explain and justify the transaction being questioned. Based on the cardholder's explanation, the college should address the situation accordingly.

All documentation/findings/replies, resulting from the monthly audit of La Carte Purchasing card transactions, are to be centrally located and readily available for any internal or external audits that may occur. Most reports listed in Attachment A are available through VISA Intellilink. Intellilink's data is available for a 27 rotating month period. If a college requires documentation retention for more than 27 months, it is the responsibility of the college to obtain and archive the transaction data accordingly.

Monthly certification that the above procedures have been conducted must be submitted to the Office of State Travel. The certification will indicate that college personnel administering the La Carte Purchasing card program have generated the required reports, all requirements listed in the policy have been completed, and necessary findings have been investigated, documented and handled appropriately.

In addition, reports shall be used as a tool to assist the college program administrator/college with determining which cardholders may need a refresher training course, re-certification of the state's online training, counseling, cancellation of card, due to inaccuracies, etc., as well as, to determine possible changes to cardholder's limits, profiles, and MCC groups.

When WORKS Workflow implementation has been completed, a Billing Cycle Purchase Log report will be available for print. It is an un-editable, PDF, formatted report. The WORKS Workflow system data is generated at the time of report request with the most current signoff information with the date and time stamp of the approval captured in the audit tracking along with all documentation which has been scanned to support La Carte Purchasing card transactions and tied to the appropriate transaction. Always ensure that the correct cycle period/dates are entered when printing the log report. Cycle dates for the program begin on the 6th of one month and ends on the 5th of the following month.

Once a college has implemented WORKS Workflow, there are additional reports that can be created to give cardholder approvers, accountants, college program administrators, auditors, and management information to monitor the compliance of their cardholders and staff. Data is available electronically within WORKS Workflow for up to 3 years. If a college requires documentation retention for more than 3 years, it is the responsibility of the college to obtain and archive the transaction data annually.

III. Policy Requirements

A. State Corporate Liability La Carte Purchasing card Account Requirements/Guidelines

1. All La Carte Purchasing card transactions must have a detailed receipt, not a generic description such as "general merchandise" or should be fully documented elsewhere, (both paper and an un-editable electronic form, once a college has implemented Workflow) and must be in accordance with Purchasing Policies, Rules and Regulations, Louisiana Statutes and/or Executive Orders, Corporate Liability "LaCarte" Purchasing Card Policy, as well as, State Liability Travel Card and CBA Policy and PPM49 guidelines, if applicable, <http://www.doa.louisiana.gov/osp/travel/travelpolicy.htm> .

2. Necessary training should be conducted to ensure that all program participants, such as program administrators, cardholders, CBA administrators, cardholder approvers, and any other applicable personnel that has a role in administering this program, is aware of all duties and responsibilities associated with possession/use of a State Corporate Liability La Carte Purchasing card. College program administrators shall maintain the annual, original signed agreement form for the State of Louisiana Corporate Liability La Carte Purchasing card Program for all participants of the La Carte Purchasing card Program. A copy of the signed agreement along with the state and college policies, or a link to all policies, procedures, rules, regulations, executive orders and PPM49, if applicable, shall be provided to the program participant.
3. Cardholders must be approved by appropriate college authority and distributed only to frequent purchasers/travelers, based on the request of a supervisor, manager or department head, not as an automatic process upon hiring.
4. All program participants must attend college training. Participants must receive state's online certification, achieving a score of at least 90 and sign an agreement form applicable to the employee's role in the program, acknowledging responsibilities. Both of these requirements are due annually.
5. All La Carte Purchasing cards are issued with corporate liability, under which the state is liable for the cost of the purchases. The program is based on the strength of the State's financial resources, not the personal finances of the cardholder.
6. Due to State Liability, Corporate La Carte Purchasing cards are to be issued in the name of State of Louisiana employees only.
7. La Carte Purchasing cards will be issued with dual limits, at a minimum. The overall card cycle limit determined by the college, and a SPL limit up to \$5,000, also determined by the college. These limits should reflect the individual's purchasing pattern. These are preventative controls and, as such, should be used judiciously. Exceptions to the SPL may be requested from the Office of State Travel with a La Carte Purchasing card exemption request form.
8. Default/override accounting codes must be assigned if the college has created an interface with the accounting system.
9. State Corporate Liability La Carte Purchasing card is a VISA Card and will be identified with the State of Louisiana seal and marked Louisiana "LaCarte". The cards will be white and embossed with the Employee's name, department name, account number and tax exempt number.
10. Expiring La Carte Purchasing cards will automatically be replaced/renewed prior to the La Carte Purchasing card's expiration date by the issuing bank. All replacement/renewed cards will be sent to the college's program administrator for proper distribution and all cardholders must have re-certification from the state's online training class achieving a passing score of 90 prior to receiving the renewal La Carte Purchasing card.

B. Declared Emergency Use

In the event of a declared emergency, the LaCarte card may be used with higher limits by essential cardholders that would be active during an emergency situation, not ALL cardholders. An emergency profile must be created in WORKS which shall not exceed the following limits, without prior approval from Office of State Purchasing and Travel: SPL (single purchase limit) \$25,000, Travel and Rest MCC Groups may be removed if determined to be necessary, however, the Cash MCC Group must remain attached to the profile at all times, as cash is never allowed, even during emergency situations.

Higher limits do NOT eliminate the need to follow emergency procurement rules, policies, procedures and/or executive orders.

It is the program administrator's responsibility to ensure that all cards are returned to their original profile once the emergency declaration has expired and/or when higher emergency limits are no longer necessary.

C. Individual La Carte Purchasing card Cardholders Shall:

1. Use La Carte Purchasing card for official state business only. No personal use. La Carte Purchasing card is limited to the person whose name is embossed on the card. The La Carte Purchasing card shall not be used to pay for another or loaned to another person to pay for official or non-official business expenses.
2. Attend required college training and sign a State Corporate Liability Cardholder Agreement Form, annually, acknowledging cardholder's responsibilities prior to receiving the card.
3. Obtain annual cardholder certification through the State's online certification training program receiving a passing grade of at least 90 prior to possess or continuing to possess a State of Louisiana La Carte Purchasing card.
4. Never include the full La Carte Purchasing card account number in emails, fax, reports, memos, etc. If an account number is necessary, only the use of the last four or eight digits of the account number is allowed.
5. Secure assigned WORKS application User IDs. Never share User ID and password and/or leave work area while logged into the system or leave log-in information lying in an unsecure area.
6. Recognize that the La Carte Purchasing card is the property of the State of Louisiana and the cardholder is responsible for the physical security and control of the La Carte Purchasing card and its appropriate use. The Cardholder is also responsible for maintaining the security of card data such as the account number, the expiration date, and the card verification value (CVV), the 3-digit security code located on the back of the card.
7. Never send a copy of the La Carte Purchasing card if requested by a merchant. If this is required for payment, then the cardholder must use another form of payment other than the State Liability La Carte Purchasing card.
8. Never use an individual La Carte Purchasing card for personal, non-business expenses for any reason.

9. Never pay taxes on purchases with this card, since it is a state liability. See Section 6.
10. Never, under any circumstances, use the La Carte Purchasing card to access or attempt to access cash.
11. Never accept cash in lieu of a credit to the La Carte Purchasing card account.
12. Never use La Carte Purchasing card for gift cards/gift certificates, without prior approval from the Office of State Purchasing and Travel, as they are considered cash and taxable.
13. Never use La Carte Purchasing cards to avoid procurement or payment procedures.
14. Never use the La Carte Purchasing card for the purchase of alcohol, food, travel expenses or entertainment services without obtaining prior written permission from the Office of State Purchasing and Travel. If requested and approved, all travel expense transactions must be in accordance with the current State Liability Travel Card and CBA Policy and current PPM49 guidelines. The only exceptions are vehicle rentals. See Section 3.A.
15. Never use La Carte Purchasing card for fuel or vehicle maintenance if college is part of the Fuel Card and Maintenance Program. However, in the event that the fuel program is not covered in a certain geographic area, then the La Carte Purchasing card may be used, and documentation of the transaction should be maintained indicating the reasons why a fuel card could not be used.
16. Submit all required transaction documentation (both paper and un-editable electronic format, once Workflow has been implemented), special approvals, etc., timely and in accordance with their college's internal policy. Remember, every transaction must have a receipt with a full description, not a generic description such as "general merchandise" or item should be fully documented/described elsewhere (both paper and un-editable electronic format, once Workflow has been implemented). Failure to do so should result in cancellation of La Carte Purchasing card. All paper supporting documentation, including the signed log or approved electronic log and signed memo statement, along with any findings and justifications is to be scanned into Workflow and tied to each applicable transaction. All mentioned above, will be sent to the supervisor/approver for required audit and signatures, and forwarded to the college's fiscal office for review and file maintenance.
17. **NEVER MAKE A PAYMENT DIRECTLY TO THE BANK** in the event that an unauthorized charge is placed on the individual's state corporate liability La Carte Purchasing card. Making a payment directly to the bank will cause the monthly statement billing file to be out of balance, and the college will have to determine the cause. Ultimately, it will be determined that a personal payment was made. In order to avoid this situation, report any unauthorized charges to the college's program administrator immediately, along with decision on how the funds will be reimbursed back to the college.
18. Notify the college's program administrator if fraudulent charges are noticed, as the card may need to be cancelled and another card issued.
19. Notify the college's program administrator if use of a card has changed and lower or higher limits are necessary.

20. Immediately report a lost or stolen card by calling Bank of America at 1-888-449-2273.

D. State Corporate Business Account (CBA) Requirements/Guidelines

1. All CBA transactions must be in accordance with PPM49 guidelines, <http://www.doa.louisiana.gov/osp/travel/travelpolicy.htm>, State Liability Travel Card and CBA Policy, <http://www.doa.louisiana.gov/osp/travel/corptravcard/travcard-cbapolicy.pdf>, Purchasing Policies, Rules and Regulations, Louisiana Statutes and/or Executive Orders <http://www.doa.louisiana.gov/osp/osp.htm>.
2. The purpose of a CBA is to provide a tool for colleges to purchase airfare, conference registrations and assist with payment of high dollar travel expenses only, as per current State Liability Travel Card and CBA Policy. Please realize that although other travel related charges are now allowed on the CBA account, the traveler should be aware that there is no plastic issued for a CBA to ensure that this will not impair his travel plans.
3. The account(s) are issued in the name of the college and the college program administrator is the primary point of contact for administering the accounts. The college may designate an administrator/authorizer per account. Each administrator has the same duties, obligations and responsibilities as a cardholder, as outlined throughout this policy specifically section 4.C. The contract travel college must be notified of authorizers for each CBA account.
4. CBA account(s) shall have an overall card cycle limit determined by the college. These limits should reflect the college's travel patterns. Therefore, these limits must be judiciously established by the college and adhered to accordingly. The college Program Administrator may establish a new or additional CBA account through Bank of America's on-line system, WORKS.
5. The CBA accounts are the direct liability of the State. Each college is responsible for ensuring all accounts are paid timely and in full each month with ONE electronic funds transfer (EFT) to Bank of America.
6. CBA accounts do not allow issuance of a plastic card. These are referred to as ghost accounts. If it is determined that personal or other unauthorized charges are occurring on the CBA account, appropriate steps, up to and including dismissal, shall be taken to resolve the misuse/abuse of the account. See Section 5, Card Misuse.
7. The full CBA account number shall never be included in emails, fax, reports, memos, etc. If an account number is necessary, only the use of the last four or eight digits of the account number is allowed.

IV. Card Misuse

- A. FRAUD PURCHASES - any use of the La Carte Purchasing card/CBA which is determined to be an intentional attempt to defraud the state for personal gain or for the personal gain of others.

An employee suspected of having misused the La Carte Purchasing card/CBA with the intent to defraud the state will be subjected to an investigation. Should the investigation result in findings which show that the actions of the employee have caused impairment to state service, and should those findings be sufficient to support such action, the employee will be subject to disciplinary action. The nature of the disciplinary action will be at the discretion of the Entity's Appointing Authority and will be based on the investigation findings and the record of the employee. Any such investigation and ensuing action shall be reported to the Legislative Auditor, the Office of Inspector General and the Director of the Office of State Purchasing and Travel.

- B. Non-Approved Purchase – a purchase made by a State cardholder for which payment by the state is unapproved. A non-approved purchase differs from a fraud purchase in that it is an unintentional misuse of the La Carte Purchasing card/CBA with no intent to deceive the college for personal gain or for the personal gain of others.

A non-approved purchase is generally the result of a miscommunication between a supervisor and the cardholder. A non-approved purchase could occur when the cardholder mistakenly uses the La Carte Purchasing card/CBA rather than a personal card.

When a non-approved purchase occurs, the cardholder should be counseled to use more care in handling of the La Carte Purchasing card/CBA. The counseling should be in writing and maintained in the employee's file for no longer than one year unless another incident occurs. The employee should be made to pay for the item purchased inappropriately. Should another incident of a non-approved purchase occur within a 12-month period, the Entity's Appointing Authority should consider revocation of the La Carte Purchasing card/CBA.

Consequences for either type of purchase mentioned above must be clearly documented in the college policy and fully executed when applicable.

- C. Merchant Forced Transactions

Commercial cards are accepted by a variety of merchants that process transactions only if approved by the issuing bank thereby abiding by the card controls in place. Merchant transactions are processed using one of the 2 steps as follows:

1. Merchants process transactions against card controls (MCC, limits, expiration date, etc.) and, if approved, receive an authorization number.
2. Merchants submit the transactions for payment from the bank.
 - In rare instances, merchants will circumvent the authorization process and only perform step 2. This means that the merchant didn't process the transaction against the card controls and therefore did not receive an authorization number.

If this happens, the merchant has forfeited all dispute rights and the transaction can be disputed and unless the merchant can provide a valid authorization number, the dispute will be resolved in the cardholders favor.

D. Card and WORKS User ID/Password Security

Each cardholder, CBA administrator, college program administrator, auditor, cardholder approver, etc is responsible for the security of their card, User ID(s) and password(s), and therefore should:

- Never display their Card Account Number, WORKS and WORKS Workflow User ID numbers and passwords around their work area.
- Never share User IDs and passwords and/or leave work area while logged into the system or leave log-in information lying in an unsecure area.
- Never give his or her Card Account Number, User IDs or passwords to someone else.
- Never email the full account numbers or User ID numbers or passwords under any circumstances

V. Sales Tax

- A. La Carte Purchasing card/CBA charges are a direct liability of the State; therefore, Louisiana State sales tax should not be charged on card purchases.
- B. Cardholders should make every effort at the time of purchase to avoid being charged Louisiana State sales tax.
- C. In the event state sales tax is charged and a credit is warranted, it will be the cardholder's responsibility to have the vendor-merchant (not Bank of America) issue a credit to the cardholder's account.
- D. It is State Policy not to pay Louisiana State sales tax; however, colleges may exempt cardholders from obtaining a credit from the vendor-merchant for state sales tax charges of \$25 or less. If a cardholder continually allows taxes of \$25 or less to be charged to the card, corrective measures must be taken. It is the College's responsibility to monitor these sales tax transactions to ensure corrective action is taken against repeat offenders.
- E. See current State Liability Travel Card and CBA Policy for state related travel exemptions <http://www.doa.louisiana.gov/osp/travel/corptravcard/travcard-cbapolicy.pdf>.

VI. 1099 Reportable Vendors

For this program, 1099 reporting responsibility is assumed by VISA.

VII. Documentation

A. Complete Documentation

1. Ensure that documentation is adequate and sufficient to adhere to current purchasing policies, rules, regulations, statutes, executive orders, State Liability “LaCarte” Purchasing Card and CBA Policy, for recording of expenditures in the State/College accounting system and the State Liability Travel card and CBA Policy and PPM49, if applicable. Once a college has completed implementation of WORKS Workflow, the college must ensure that all supporting documentation along with receipts are scanned and attached to each corresponding transaction. Colleges should ensure that immediate supervisors/approvers are verifying and ensuring that these controls are being met and that transactions are appropriate, accurate, have a business case and business need for the purchase, all receipt dates and other supporting documentation dates are applicable with known need or business travel, if applicable, and approved. Documentation of approval must be accomplished by a signature on a paper La Carte Purchasing card log, and once college has completed Workflow implementation, electronically online by signing off on the transaction. Approval by the approver certifies that the documentation is acceptable for each transaction, that it was for official state business, that it is in compliance with appropriate rules and regulations, etc., as mentioned above and that it has been reviewed and is approved.
2. Documentation is required for all purchases and credits. For items purchased over the counter, the cardholder should obtain the customer copy of the receipt. When ordering by telephone, fax, or computer, the cardholder must obtain a packing list or similar document. For items such as registrations, where the vendor does not normally generate a receipt or packing slip, a copy of the ordering document may be used. Acceptable documentation must include a line description, with full description not a generic “general merchandise” description, and line item pricing for the purchase. Electronic receipts are allowed if they are un-editable and are maintained in compliance with the college retention policy.
3. For internet purchases, the print out of the order confirmation showing the details, or the printout of the order details, or the shipping document if it shows what was purchased, the quantity and the price paid suffice for the itemized receipts.
4. When the electronic Workflow in WORKS online system is implemented, the cardholder is issued a unique login User ID number, along with a password. Immediate supervisors or designated approvers are to utilize their unique User ID and password to certify and electronically signoff on each transaction. (See Section 5.D) Audit trails exist within the software with date and time stamps for sign-offs and approvals.
5. The college cardholder approvers will forward all supporting documentation along with invoices, receipts and signed paper or approved electronic log, by both cardholder and approver, and signed statement, by both cardholder and approver, and any findings and justifications to the college’s fiscal office for review and for maintenance of the files in accordance with record retention laws. This file must be centrally located in the college’s fiscal office and will be subject to review by the Office of State Purchasing and Travel, the Louisiana Legislative Auditors Office and any other duly authorized auditor.

6. All system entries and scanned supporting documentation, when utilizing Workflow and electronic approvals are maintained electronically within the WORKS Workflow online system for up to 3 years. If a college requires documentation retention for more than 3 years, it is the responsibility of the college to obtain and archive the transaction data annually.

B. Individual Corporate Liability La Carte Purchasing cards

If a request is made and approval granted for the La Carte Purchasing card to be used for travel expenses, it will be each cardholder's responsibility to submit their travel expense form and all required transaction documentation, special approvals, etc. timely and in accordance with their College's internal policy to help ensure it is paid timely by the State.

C. Corporate Business Accounts (CBA)

Administrators for the CBA accounts will maintain records / approvals sufficient to reconcile the CBA statement to ensure it is paid timely by the State. Each CBA administrator and the approver is responsible for ensuring that documentation is adequate and sufficient to adhere to all rules, regulations, laws, statutes, policies, PPM49 guidelines and Accounting guidelines for recording of expenditures. CBA administrators must have an approver who is a supervisor at least one level higher than the CBA administrators. CBA administrators are to follow all individual cardholder procedures, trainings and certifications, rules, regulations, guidelines, as outlined in this policy and the college policy, including forwarding signed log or approved electronic log, by both administrator and approver, signed statement, by both administrator and approver, and supporting documentation to college's fiscal office for review and file maintenance.

VIII. Procedures for Individual La Carte Purchasing card and CBA Accounts

A. Payment Procedures

The College will ensure that necessary procedures and controls are in place for prompt payment, reconciliation and cost distribution of charges and credits. College specific policies and procedures must be developed. These policies should address required approvals and authorizing procedures. Copies of this policy must be made available to all cardholders and other personnel responsible for La Carte Purchasing card and CBA Accounts.

1. Bank of America will send paper statements and/or an electronic file containing all cardholder transactions. These files may be used for reporting and reconciliation.

2. The paper statements and the electronic Statement Billing File, if applicable, will be sent after the close of the billing cycle. Payment must be made electronically to Bank of America within 25 days of statement billing date.

B. Non-ISIS Interface College

1. Colleges can use the Statement Billing File to interface to their accounting system through WORKS Workflow or use paper statements and must produce ONE electronic funds transfer (EFT) to Bank of America.

IX. Reconciliation and Cost Distribution

- A. Documentation must be obtained indicating the date of purchase/service, the vendor name, complete description of the item, not a generic description such as “general merchandise”, purchase amount, and receipt date. For colleges that have already implemented WORKS Workflow cardholder/approver/accountant would enter accounting distribution information for fund/college/organization number and object as these would all be required in the online Workflow system. Reporting category sub object and activity are optional. Colleges that have not implemented Workflow, may continue to use a paper log, pertinent accounting information may be recorded on the “La Carte Purchasing card Log” or recording information directly on the receipt from the vendor for each purchase, service and/or credit made with La Carte Purchasing card/CBA. College policy will determine who provides this information and how it is transmitted to the accounting department. All supporting documentation including receipts must be scanned into Workflow, tied to the transaction with original documentation forwarded, including signed paper log or approved electronic log, by both the cardholder and approver; the signed memo statement, by both cardholder and approver, along with any findings and justifications, to the college’s fiscal office for review and maintenance of files.
- B. Cardholders will receive paper billing statements monthly from Bank of America within approximately 5 business days of the close of the billing cycle. If the cardholder statement is not received timely, the cardholder must notify the college program administrator immediately so that a statement can be obtained for reconciliation purposes. If the college has completed the implementation of the WORKS Workflow online system, a paper billing statement is not required to review and approve the transactions. Transactions are available for processing online as soon as the transaction posts to the online site.
- C. The cardholder must reconcile purchases/services charged during the billing cycle by matching the bank billing statement to his La Carte Purchasing card log/record, until the college has implemented Workflow, or using the WORKS Workflow online system and the documentation obtained from the vendors. The documentation (both paper and uneditable electronic, once implementation into Workflow has been completed) will be

reviewed and certified by the cardholder as received or reported as a disputed item. Once Workflow has been implemented, the cardholder must scan all supporting documentation, receipts, etc., into Workflow and tie each scan to the applicable transaction. The cardholder then forwards all supporting scanned documentation to his immediate supervisor/approver. For colleges that have completed implementation of the WORKS Workflow system, when a cardholder approves a transaction online, his signoff moves the transaction to the queue of their approver.

- D. The immediate supervisor approver, who is to be at least one level higher than cardholder, must review the information and documentation entered and scanned into Workflow, and submitted by the cardholder. The approver, to be determined by each college who should be an immediate supervisor and at least one level higher than the cardholder, must verify that acceptable complete documentation exists (both paper and uneditable electronic, once Workflow has been implemented) to support each purchase, service and/or credit, verify that purchases are for official state business, and that purchases/services complies with any current Purchasing Policies, Rules and Regulations, Louisiana Statutes, Executive Orders, State Corporate Liability “LaCarte” Purchasing Card Policy, State Liability Travel Card and CBA Policy and/or PPM49, if applicable, as all must be followed during the use of the LaCarte Purchasing Card and this policy . The immediate supervisor approver must sign the La Carte Purchasing card log or electronically approve, once Workflow has been implemented, along with the signing of the memo statement certifying his review and approval. While multiple transactions can be signed off at one time by selecting more than one transaction, it is the Approver’s responsibility to verify the validity of each transaction. The cardholder shall never be the final approver of his own monthly La Carte Purchasing card log/online transactions. All supporting documentation, including the signed log or approved electronic log and signed memo statement, by both cardholder and approver, along with any findings and justifications, must then be forwarded to the college’s fiscal office for review and maintenance of the file.
- E. Once all approvals and audits by cardholder approvers have been obtained and forwarded to the college’s fiscal office, the college’s fiscal office must review receipts in the program journal vouchers to correct any necessary coding changes. All documentation must then be housed in the college’s fiscal office.
- F. It is crucial that all supporting documentation, including approval document(s), etc., be sent to the college’s fiscal office and be maintained in one central location available to auditors and not scattered within different locations.
- G. If it is determined that personal or other unauthorized charges are occurring on the card, appropriate steps, up to and including dismissal, shall be taken to resolve the misuse/abuse of the card. (See Section 5; Card Misuse)

H. Upon notification by the immediate supervisor/approver that the cardholder reconciliation has been approved, the accounting section will ensure that the charges are distributed to the appropriate accounting codes.

It is the responsibility of each college to contact the Bank if a paper statement is not received timely. Colleges should complete the reconciliation and distribution processes each month and prior to receiving the next billing cycle.

I. Non-ISIS Colleges

All charges made to the corporate account must be reviewed, approved and reconciled. Colleges will reconcile and distribute costs to their accounting system in a timely manner and according to college policies and procedures. Note: reconciliation may take place before or after payment for Non-ISIS Colleges but payment shall be timely and in full each month, with ONE electronic funds transfer (EFT) to Bank of America.

J. Statement

It is the responsibility of each College to contact the Bank if your paper statement is not received timely. Colleges should complete the reconciliation and distribution processes each month and prior to receiving the next billing cycle.

X. Waivers

Exceptions

1. The Director of State Purchasing and Travel may waive in writing any provisions of these regulations when the best interest of the State will be served.
