** The Board of Supervisors of the Louisiana Community and Technical College System reserves the right to enter into Executive Session in accordance with R.S. 42.6.

NOTE: A separate Audit Committee meeting was held at 8:00 a.m.

I. CALL TO ORDER

The Louisiana Community and Technical College System Board of Supervisors met in Regular Session, Wednesday, June 12, 2013, at Baton Rouge Community College, Baton Rouge, Louisiana. Board Chair Michael J. Murphy, called the meeting to order at 9:00 a.m.

II. PLEDGE OF ALLEGIANCE

Supervisor Toups led the assembly in reciting the Pledge of Allegiance.

III. APPOINTMENT OF NEW STUDENT BOARD MEMBERS: JAMES SPIKES AND ALGERNON DOPLEMORE

Mr. Leo Hamilton, General Counsel for LCTCS, conducted the swearing in of newly appointed student board members James Spikes and Algernon Doplemore. Mr. Spikes will serve as the community college representative and Mr. Doplemore will serve as the technical college representative on the Board.

Chair Murphy provided background information on each student and asked them to share any comments that they would like to with the board.

Supervisor Doplemore stated that he was, “…very honored to be a part of the process that encourages development within the future of community and technical colleges. Technical and community colleges are relevant and are a very important source of production to the workforce that will ensure economic growth and social awareness within our communities. Together we are stewards and continue to learn, striving to follow the path that has been paved by leadership to establish and sustain excellence…”

Supervisor Spikes stated that he was, “…truly honored for my appointment to the Board. I will do my best to represent all students in the LCTC System. I appreciate all the information and advice that I have received from the Board and I appreciate them for welcoming us in with open arms. I will do my utmost to take this opportunity as serious as possible…”
IV. ROLL CALL

Ms. Bonni Blouin, Coordinator of Board Services, called roll and a quorum was established.

Board Chair Murphy expressed appreciation, on behalf of the Board of Supervisors and the LCTCS System and thanked Bonni Blouin for her fourteen (14) years of service with the LCTCS, nine (9) of those years as the Coordinator of Board Services to the Board of Supervisors. Ms. Blouin will be retiring from the LCTCS effective July 12, 2013.

Dr. May presented Ms. Blouin with a Resolution, a gorgeous, engraved crystal vase and a beautiful bouquet of flowers from Dr. May and the Board of Supervisors.

Ms. Blouin thanked the Board and Dr. May for the recognition and stated that she will forever cherish the friendships and the memories she has made throughout the years while working for the LCTCS.

V. APPROVAL OF JUNE 12, 2013 AGENDA

On motion of Supervisor Toups, seconded by Supervisor Spikes, the Board voted to approve the June 12, 2013 agenda as presented.

VI. APPROVAL OF MINUTES OF MAY 8, 2013 BOARD MEETING

On motion of Supervisor Brown, seconded by Supervisor Hardy, the Board voted to approve the minutes of the May 8, 2013 Board meeting as presented. The motion carried.

VII. REPORTS
1. Chair of the Board Report
Chair Murphy presented the Chair of the Board Report. The following topics were discussed:

- Chair Murphy expressed his gratitude to the individuals responsible for moving the advocacy agenda forward during the legislative session. He noted that he has never witnessed such a great vote of confidence from the legislature and he felt a tremendous statement was made by the legislature with their support of all bills presented regarding the LCTCS, particularly SB 204.
- Chair Murphy thanked Board Supervisor Stevie Toups and his wife Valerie for hosting a dinner for the members of the Board of Tuesday evening.

2. President’s Report

Dr. May presented the President’s Report. The following topics were discussed:

- Dr. May recognized Dr. Joe Ben Welch, Chancellor, River Parishes Community College, on the event of his retirement. Dr. Welch has served for 50 years as a professional educator. Forty-five (45) of those years were in service to community colleges in Texas, Georgia and Louisiana. The last fourteen (14) years he served as chancellor at River Parishes Community College. Dr. Welch was awarded the distinction of Chancellor Emeritus and was presented with a Resolution and a plaque of recognition for his service to the LCTCS.

  Dr. Welch thanked the Board and Dr. May for the recognition and then acknowledged the River Parishes Community College staff present in the audience and stated that they represent the best staff a chancellor could have. He stated that he is looking forward to retirement and will be watching the future growth of the LCTC System.

- Dr. May commented on SB 45 that was passed by the Legislature and merges the Capital Area Technical College and Baton Rouge Community College into one institution. He stated that Dr. Kay McDaniel, Director of Capital Area Technical College, has been appointed to serve as Vice President for Technical Education of Baton Rouge Community College. Dr. McDaniel was recognized for her leadership and service to the LCTCS and the Capital Area Technical College. She was presented with a plaque of recognition for her service.

  Dr. McDaniel thanked the Board and expressed her gratitude for the years spent in service at Capital Area Technical College.

- Dr. May announced that Dr. Michael Elam has accepted the position of President at the Roanoke Chowan Community College in North Carolina. Dr. May thanked Dr. Elam for his service to the LCTCS as Interim Chancellor at Sowela Technical Community College and at Central Louisiana Technical Community College.

- Dr. May announced that a search is being conducted for a new chancellor at River Parishes Community College. The Association of Community College Trustees (ACCT) will handle the search. He noted that he will visit the RPCC campus tomorrow to meet with faculty, staff, stakeholders and the local foundation. He added that he will be reaching out to members of the Board to assist in the search process.
Dr. May acknowledged Dr. Derrick Manns for his participation in the Salzburg Global Seminar held in Salzburg, Austria. Dr. Manns chaperoned a group of fifteen (15) students from seven (7) LCTCS colleges. A presentation will be provided at a future Board meeting.

Dr. May commented on the 2013 Legislative Session and noted that the success experienced during the session would not have been possible without the efforts of Tommy Williams and Chris Coulon. He acknowledged Tommy Williams, LCTCS, Chris Coulon and Alisha Duhon, Adams and Reese, for their work during the session.

Mr. Williams expressed his appreciation to members of the Board for their participation and support during the legislative session and for being a part of the legislative advocacy agenda. He expressed the importance of having Board members in attendance at the legislature to show their support, commitment, professionalism and teamwork. He added that the support of Chris Coulon, Alisha Duhon and members of the advocacy team throughout the state was crucial.

Mr. Coulon commented that he and Ms. Duhon felt privileged to be a small part of the LCTCS team. He added that the hard work of the advocates, board members, chancellors and directors has been incredible and the success at the legislative session speaks volumes on how the Legislature feels about the LCTCS and how much they value the leadership provided by each, as well as the confidence that they have for Dr. May.

Dr. May expressed his appreciation, and that of the LCTCS Board of Supervisors, to Tommy Williams, Chris Coulon and Alisha Duhon for being part of the best advocacy team in the state.

Dr. May reviewed some of the bills that passed during the 2013 Legislative Session:

- **SB 36**: Senator Heitmeier – prohibits smoking on the grounds in and on the campuses. This bill will go into effect in 2014.
- **SB 93**: Senator Ben Nevers – awarding academic and career & technical education credit for industry based certifications. This bill will require the establishment of a process. Dr. May noted that he will be meet with Senator Nevers and Dr. Spence, Southern Regional Education Board, to ask for a grant to help fund this endeavor.
- **SB 207**: Representative Thomas Carmody – The bill clarifies the ability to name buildings on campuses.
- **HB 671**: Representative Franklin Foil – Authorizes all of higher education to impose certain tuition and fee amounts at certain institutions. It allows implementation of a $48 building use fee, which is a deferred maintenance fee for campuses and will allow the establishment and ability to raise tuition for online education.
- **HCR 16**: Representative Rogers Pope and Senator Dale Erdey – provides a feasibility study to provide community college services in Livingston Parish.
- **HCR 170**: Senator Brad Allain – provides a feasibility study of community college services in St. Mary Parish.
- **SB 45**: Senator Dorsey-Colomb – Merges Capital Area Technical College with Baton Rouge Community College. Has been signed into law by Governor Jindal.
- **SB 204**: Senator Robert Adley – Facilities With a Purpose. Governor Jindal announced that he will conduct a signing event for four of the bills passed during the session and SB 204 will be one of those bills, marking it as one of the most significant bills of the session. The event will be held on Monday, June 17th at 1:30 p.m. in Alexandria, LA. Dr. May
noted that he will be out of the country on that date but would like as many LCTCS representatives as possible to attend the event.

Dr. May noted that Senator Adley will be recognized by the LCTCS at a future event.

- Every Day is Community and Technical College Day at the Legislature. Dr. May commented that this event is held each year and provides an opportunity for students to meet their legislator and experience the legislative process. Dwayne Grant presented a video showing clips of various LCTCS colleges visiting with legislators at the capitol during the participation of Every Day is Community College Day.

- “Raise the Roof” – Dr. May stated that one of the components of SB 204 is a requirement that 12% of matching funds are raised for the proposed projects, which is roughly $34 million dollars that needs to be raised. He noted that Leah Goss, Senior Vice President of System Advancement, has been working with LCTCS chancellors/colleges to put together a strategy to address this issue.

Ms. Goss addressed the Board and shared an overview of the plans and preparations that the Office of System Advancement is putting together with the support of the LCTCS Foundation to assist LCTCS colleges in raising the $34.3 million dollar private match that will be required to “Raise the Roof,” on the twenty-nine (29) projects that are part of SB 204. A video was shown.

- Dr. Andrea Miller, Chancellor, Baton Rouge Community College (BRCC), and Dr. Kay McDaniel, Director, Capital Area Technical College (CATC), provided a progress report on the merger between BRCC and CATC. A PowerPoint presentation was provided along with a video.

- Dr. May acknowledged Travis Lavigne, Chancellor, Fletcher Technical Community College (FTCC), on being awarded an Honorary Doctorate of Humane Letters by Nicholls State University (Nicholls), at the spring commencement on May 18th. The award recognized forty-plus years of professional contributions to post-secondary education in Louisiana and his leadership and support in building the outstanding relationship between Nicholls & FTCC to serve the bayou region of south Louisiana.

- Dr. Neil Matkin addressed the Board to discuss recent articles published by the Associated Press regarding an audit of the Grad Act. He stated that the legislative audit of the Grad Act was released on June 10th. He noted that the LCTCS had been working with the Legislative Auditor’s Office for some time prior to the report and were aware of the findings. Dr. Matkin addressed the article that was released by the Associated Press entitled, Audit Unreliable Data Submitted by most Community and Technical Colleges for Tuition Authority, and discussed the inaccuracies in the article. He stated that the System will be writing a letter to the editor of the Associated Press requesting a retraction of the article.

Supervisor Brown suggested communicating directly with legislators to clarify the information stated in the article.

Dr. May responded that the issue will have to be addressed at the college level.
