The Louisiana Community and Technical College System (LCTCS) is now taking applications for one Director of Internal Audit (DIA) to be domiciled in Baton Rouge.

SUMMARY:

This is an unclassified position reporting administratively to the LCTCS President and functionally to the Audit Subcommittee of the Board of Supervisors. This position has direct line supervision over one Manager and direct/indirect supervision over five staff auditors.

The basic functions of the Director of Internal Audit position are

- To serve as head of the Louisiana Community and Technical College System (LCTCS) Internal Auditing Department. This includes internal audits and reviews of all LCTCS areas and member institutions for compliance, financial accuracy, and operational efficiency and effectiveness.
- To establish, implement, and monitor audit standards to ensure compliance with LCTCS and member institution policies, procedures, and practices as well as compliance with Louisiana State and Federal laws and regulations.
- To provide a service to management by providing consultative services for control design during development of control systems by appraising the effectiveness of various control systems and providing assurance that control systems are operating as intended and adequately protect the assets of the organization.

DUTIES AND RESPONSIBILITIES: The Director of Internal Audit will:

- Discharge all basic management responsibilities common to all LCTCS managers.
- Develop, implement, and maintain comprehensive program for monitoring, review, and evaluation of management controls to ensure protection of all assets.
- Maintain working relations with all levels of management to include Chancellors and Directors of member institutions through oral and written communication. Personal contact and travel is usually involved.
- Represent the Internal Auditing Department at all LCTCS board meetings.
- Represent the Internal Auditing Department at all Audit Sub-Committee meetings.
- Report to the Audit Committee as follows
  - Annual Audit Plan
    - Audit Schedule
    - Budget
    - Staffing
Status Reports

- Significant Findings
- Follow-up
- Open issues

- Seek innovative ways to increase efficiency and effectiveness.
- Understand organizational goals and objectives and stay abreast of new developments within the organization and legislative matters concerning LCTCS. Appraise the impact of changes in operations that will have an impact on controls, risk assessment and determine that appropriate control action is taken.
- Modify/develop audit programs as required.
- Execute audit programs as necessary
- Assume additional responsibilities as assigned.
- Develop the annual internal audit plan. Develop a risk assessment analysis of the organization to begin the process of preparing the annual internal audit plan. Verify that the plan is administered.
- Serve as liaison with the Louisiana State Legislative Auditors.
- Interpret laws, rules, contracts, and regulations that will impact audit programs at LCTCS and ensure that LCTCS is in compliance with all mandated changes.
- Meet with audit department staff members and representatives of entities begin audited to discuss audit findings, and to work with these groups to establish Corrective Action Plans.
- Staff internal auditing department with quality professionals to assure accomplishment of objectives.
- Assure appropriate hiring, orientation, development, training, and progress reviews for staff.
