F. REPORTS

1. Chair of the Board Report

Vincent St. Blanc, III, Chair, presented the Chair of the Board Report. The following topics were discussed:

- Chair St. Blanc expressed his thanks to Dr. and Mrs. May for hosting the Christmas Dinner on Tuesday evening.
- Board Supervisors Stevie Smith provided an update on the Act 391 projects. He reviewed projects at the following campuses/locations: Huey P. Long Campus in Winnfield; L.E. Fletcher campus improvements in Houma; Florida Parishes Campus in Greensburg; SOWELA in Lake Charles; Northwest Campus in Minden; Shelby Jackson in Ferriday; Young Memorial Campus in Morgan City; Gulf Area Campus in Abbeville. He noted that by the first part of 2011 the System will have 8-9 projects under construction. Supervisor Smith stated that an architect has been selected for the Westside Campus in Plaquemine and the design process has begun. He noted that a couple of LCTCS partners, Mr. Ed Cancienne, Superintendent of Iberville Parish Schools and Mr. Mitchell Ourso, Iberville Parish President, have stepped up to help make improvements to the campus. They are present today to address the Board.
- Dr. May thanked Mr. Cancienne and Mr. Ourso for their “can do attitude and leadership” and for focusing on the greater needs of the community and working with the LCTCS to find a way to address those needs. The Iberville Parish School Board has offered to transfer an approximate 10 acre parcel of land adjacent to Plaquemine High School on Tenant Road in Plaquemine to the LCTCS for the use and benefit of the Capital Area Technical College, Westside Campus. Also proposed for consideration by the Board is the associated Cooperative Endeavor Agreement between the Iberville parish School Board and the LCTCS regarding use of the facility for postsecondary education.

Jan Jackson, Senior Vice President of Finance and Administration, introduced Mr. Cancienne and Mr. Ourso to the Board. Ms. Jackson presented a PowerPoint presentation providing information on the Act 391 project.

Dr. Kay McDaniel, Regional Director, Capital Area Technical College, addressed the Board and reviewed the programs that will be offered at the Westside Campus. She stated that various programs under nursing now exist and they will add Industrial Maintenance which includes welding, pipefitting and millwright. Dr. McDaniel stated that the goal is to establish a seamless partnership between Plaquemine High School and the Capital Area Technical College.

Mr. Cancienne and Mr. Ourso offered their comments to the Board.

2. President's Report

Dr. May presented the President' Report. The following topics were discussed:

- Announcement of the pending retirement of Dr. Jan Brobst, Chancellor, South Louisiana Community College, effective December 31, 2010. Dr. May spoke to her many accomplishments at the college, namely the partnership with Acadian Ambulance and the National EMT Academy and with the local high school. He added that Dr. Brobst will be missed but her legacy will continue. Dr. May presented Dr. Brobst with a plaque of recognition from the Board to thank her for her service to the LCTCS and South Louisiana Community College (SLCC).

Dr. Brobst provided comments and expressed her appreciation for all the support that has been shown to her. She thanked the team at SLCC for all their hard work and dedication. Several board members shared their thoughts/comments on Dr. Brobst's service as chancellor at SLCC.

- Announcement of the pending retirement from state service of Debi Faucette, effective January 7th. Ms. Faucette transferred from the Department of Education when Adult Education transferred to the LCTCS. Ms. Faucette has accepted the position of Deputy Executive Director for Field Operations for GED Testing Service with the American Council on Education.
- Introduced Eric Setz who will serve as Vice President of Enterprise Services and Information Technology for LCTCS effective December 1st.
- Update to the board on the recent budget meeting with Governor Bobby Jindal and higher education system presidents. Dr. May stated that the meetings afforded a great conversation and good exchange of ideas between fellow colleagues of higher education. He expressed appreciation to Governor Jindal for holding the meeting.
- Congratulated Kizzy Payton on being selected by the Greater Baton Rouge Business Report as one of the 2010 Forty under 40 honorees.
- Congratulated Dr. Luke Robins, Chancellor, Louisiana Delta Community College (LDCC), on the agreement signed with Grambling State University (GSU) that will allow nursing students who earn their associates degree at LDCC to transfer seamlessly to GSU to pursue a registered nursing degree.

- Congratulated Dr. Robins on the installation of a \$425,000 first flexible integrated system lab from the Louisiana Economic Development's Rapid Response Fund that will add another laying to the college's Certified Manufacturing Specialist Program. LED's Fast Start program partnered with LDCC to train workers for ConAgra's new sweet potato plant in Delhi.
- Chancellor Jim Henderson announced the agreement signed with Louisiana Tech's President, Dan Reneau, allowing Bossier Parish Community College (BPCC) Associate of Science in engineering graduates to enter as juniors into any of Louisiana Tech's engineering programs.

Mr. Henderson addressed the Board to provide details on the proposed program. He noted that BPCC will offer the classes with existing faculty and stated that this is a testament to the quality of the faculty at BPCC and to the overall quality of the academic program.

- Dr. Robins announced that Louisiana Delta Community College (LDCC) Foundation has recently received two donations of \$60,000 each from Kitty DeGree. He noted that the two checks will be used as the local match for two Board of Regents' Endowed Chairs. One will be applied for this year and one next year. The first endowed chair will be in workforce development. The second will be an additional endowed chair in nursing.
- Dr. Joe Ben Welch, Chancellor, River Parishes Community College (RPCC), provided an update on the merger of the LTC Ascension Campus with RPCC.
- Dr. Robins provided an update on the merger of the LTC Tallulah/Margaret Surlis/Lake Providence campuses with LDCC.
- Dr. May noted that the consolidation of the LTC Morgan Smith Campus with SOWELA Technical Community College was also approved by the Board in November. He stated that this effort will be moving forward also.
- Dr. May stated that a Senate Concurrent Resolution was recently passed by Senator Ben Nevers asking that the Board of Regents conduct a study of the Northshore area to determine the need for a technical community college. He noted that Regional Director Will Wainwright has been engaged in this endeavor and added that Board members in the community will also be asked to be involved.
- Dr. May noted that conversations regarding the need for a community/technical college have also been held regarding the Alexandria area. He stated that the Rapides Foundation conducted a survey regarding the need for a technical community college in that area. Dr. May stated that a request has been made for a separate contract with NCHEMS that will incorporate the Rapides study update and make a determination of the need for a technical community college.
- 80th Anniversary celebration of the Sullivan Campus in Bogalusa. A copy of the program was distributed to members of the Board. Supervisor Mickey Murphy provided comments on the event. He commended Will Wainwright and his team for a "very exciting and emotional day at the Northshore Technical College." He stated that the event was sponsored by the Sullivan Foundation in conjunction with a number of corporate and private sponsors. He spoke to a number of

highlights of the event – one being the recognition of one of the first students to graduate from the college.

- Dr. May announced that the groundbreaking ceremony for Fletcher Technical Community College will be held on January 13, 2011. Additional information will follow.
