SUBJECT: Board of Regents Matched Endowed Professorship

APPROVED

 5/10/23
LCTCS BOARD OF SUPERVISORS

FOR BOARD ACTION

Recommendation: Staff recommends the board approve the endowed professorship below:

Northshore Technical Community College

Caleb David Page Memorial Endowed Professorship in Mathematics

This endowment is made possible by \$60,000 from Northshore College Enhancement Foundation, to be matched by \$40,000 in state dollars from the Louisiana Board of Regents.

\$100,000 total (\$60,000 private: \$40,000 public)

Background: The Board of Regents Support Fund is funded through the interest earnings from a Trust Fund dedicated in the Louisiana State Constitution. Each year, funds are allocated to endow program chairs, professorships and scholarships. Colleges are responsible for contributing private funds that matched with public funds according to Board of Regents policies. One of the policy requirements is approval of the endowments by the respective management board prior to submission to the Board of Regents.

History of Prior Actions: There is a history of approving the establishment of endowments at LCTCS colleges to comply with Board of Regents match requirements.

Fiscal Impact: The Endowments are the result of \$60,000 in private donations. If the matches are approved by the Board of Regents, these endowments will secure an additional \$40,000 in state funding, for a total increase in net assets of \$100,000.

Benefits to System: This will help our colleges takes steps towards increasing asset goals.
