SUBJECT: Non-Credit Program Additions

APPROVED
 5/10/23
LCTCS BOARD OF SUPERVISORS

FOR BOARD ACTION

Recommendation: Staff recommends the Board approve the attached LCTCS-Approved Non-Credit Program List.

Background: LCTCS Policy #1.024 - Curriculum Development Process and Requests allows for non-credit programs of study to be submitted and approved by the Board of Supervisors and reported to Board of Regents. Non-credit programs have fewer student financial aid options available to students. The MJ Foster Promise Program will provide tuition for non-credit programs that lead to workforce credentials for high-demand, high-wage occupations. Approval of non-credit programs is required to be eligible for tuition assistance from the MJ Foster Promise Program. Non-credit programs are approved systemwide. All LCTCS colleges are authorized to offer an approved program.

Fiscal Impact: Potential increased enrollment due to additional student financial aid will increase tuition revenue.

History of Prior Actions: The Board approved the first non-credit program list at the 10/20/2021 board meeting.

Benefits to the System: Approval of non-credit programs can create increased student financial aid options.
