RE: Contract between Central Louisiana Technical Community College and
Kellogg Brown & Root, LLC

APPROVED

SK 4-11-18
LCTCS BOARD OF SUPERVISORS

FOR BOARD ACTION

Recommendation: Staff recommends that the Board approve a contract between Central Louisiana Technical Community College and Kellogg Brown & Root, LLC, effective February 12, 2018 to February 12, 2019. This contract is subject to the approval of the Office of State Procurement, Professional Contracts.

Background: Kellogg Brown & Root, LLC (KBR) has been providing pipefitting training and equipment to Central Louisiana Technical Community College at the Lamar Salter campus since 2016. Until now, KBR has covered 100% of the cost for these services. However, due to economic reasons, Central Louisiana Technical Community College will now pay 50% of the cost with funding provided by a grant from the Workforce Training Rapid Response Fund to train up to 150 individuals with preference first given to military or their spouses.

Fiscal Impact: Not to exceed \$219,580.

History of Prior Actions: N/A

Benefits to the System: The execution of this contract will provide training for needed credit and industry-based certification in pipefitting to Central Louisiana Technical Community College students in order to meet the growing demand for pipefitters in the Gulf Coast region.

Approved for Recommendation to the Board
Dr. Monty Sullivan, President
