SUBJECT: Revised Chancellor Evaluation Process

LCTCS BOARD OF SUPERVISORS

FOR REVIEW AND ADVISEMENT

Recommendation: Staff recommends that the Board accept for review and advisement the attached revised Chancellor Evaluation Process (Policy #6.013).

Background: At the end of 2018 the LCTCS Board of Supervisors revised the Board meeting schedule for the 2019 calendar year. The schedule change prompted the review and revisions to the Chancellor Evaluation Process timeline.

The specific changes were (1) removed the timeline to have a mutually agreed upon time by the System President and the College CEO; and (2) the removal of the 2020 vision text and adding in "strategic plan goal". This also allows for flexibility on all future initiatives and strategies.

History of Prior Actions: This policy was last revised in June of 2016.

Benefits to System: The proposed changes will bring together the Chancellor Evaluation Process with the Board of Supervisors meeting schedule and allow for future strategic plan goals.

The System President will provide feedback on the self-evaluation and goals and mutual expectations for annual performance evaluation shall be scheduled on a timeline mutually agreed upon by the System President and College CEOs. will be determined for the upcoming year.

Required Steps/Proposed Timeline:

1. Summer/July: The System President's office calls for initial outcomes and proposed goals for the upcoming year and information is submitted by each college CEO. The data is validated and submitted to colleges.
