LCTCS BOARD OF SUPERVISORS

FOR BOARD ACTION:

Recommendation: Staff recommends the Board approve the following program requests listed below.

Curriculum Modification

- 1. Certificate of Technical Studies (CTS), Computer Networking (CIP 11.0901) - 5 STARS

Background: Baton Rouge Community College (BRCC) requests to adjust the title of the above-listed CTS from Computer Network Engineer to Computer Networking. The award level and CIP code will not change. The title change is BRCC's response to a Board of Regents request to better align naming conventions.

Fiscal Impact: There are no anticipated expenditures associated with this modification.

History of Prior Actions: N/A

Benefits to the System: This modification will allow BRCC to better meet student and workforce needs.

Approved for Recommendation to the Board

Attention: René Cintrón, Ph.D., Chief Academic Affairs Officer
Adrienne Fontenot, Ed.D., Director of Adult Learning and Educational Programs

Dear Drs. Fontenot and Cintrón:

Baton Rouge Community College (BRCC) requests authorization from the Board of Supervisors of the Louisiana Community and Technical College System (LCTCS) to implement the following **Program Modification** based on consultation with Drs. Denby and Newhall at the Board of Regents.

Program Modification:

Modify the title of BRCC's Computer Network Engineer Certificate of Technical Studies (CTS), CIP code 11.0901, to Computer Networking. The award level and CIP code will not be changed.

The title change is BRCC's response to notification from Dr. Denby's office at the Board of Regents that 'engineer' as a noun may not be used in programs of study below the baccalaureate level.

Please let me know if additional information is needed. Thank you for your consideration of this request.

Sincerely,

A handwritten signature in cursive script that reads "Laura Younger".
