RE: Banner Maintenance Contract Renewal between LCTCS and Ellucian

APPROVED

 8/12/20
 LCTCS BOARD OF SUPERVISORS

FOR BOARD ACTION

Recommendation: Staff recommends that the Board authorize the System President to negotiate and execute a contract renewal between the LCTCS and Ellucian for software support and maintenance, effective October 1, 2020 through September 30, 2025.

Background: Since the inception of the Banner project, LCTCS has had a software support contract with Ellucian to provide Banner software support and updates. This board item is for a support renewal for an additional 5 years. The proposed software support renewal will ensure continued 24/7 support as well as product updates for Banner for all LCTCS entities. The terms of this agreement represent a 2% discount over standard Ellucian pricing.

Fiscal Impact: \$3,418,197 from Enterprise Resource Platform (ERP) fee revenues paid by students to colleges.

History of Prior Actions: Board took action with the initial SunGard contract, which included software support and maintenance, at the August 2010 board meeting and extended the contract for an additional 5 years at the September 2015 meeting.

Benefits to the System: Execution of this contract will provide continued Banner software support and product updates for the system office and all colleges of the LCTCS.

Approved for Recommendation to the Board
