LCTCS BOARD OF SUPERVISORS

FOR REVIEW AND ADVISEMENT

Recommendation: Staff recommends that the Board accept for review and advisement the attached Policy #6.037 – "Educational Assistance."

Background: The LCTCS currently has three separate policies regarding educational assistance provided as a benefit to employees. Tuition and Fee Exemption for all Full time Employees (Policy #6.037), Tuition Assistance for Full Time Employees (Policy #6.038), and Employee (Active or Retired), Child or Dependent, and Spouse Tuition Reduction (Policy #6.039). Our intent is to consolidate the three policies and eliminate conflicting items between the polices. The new policy provides all of the same benefits with clear explanations of each while eliminating conflicting or confusing language.

History of Prior Actions: The three previous policies were created for specific educational assistance as needed. Policy #6.037, Tuition and Fee Exemption for Full Time Employees was originally adopted June 13, 2001 and was last updated in January 15, 2016. Policy #6.038, Tuition Assistance for Full Time Employees was adopted December 10, 2014 and has never been revised. Policy #6.039, Employee (Active or Retired), Child or Dependent, and Spouse Tuition Reduction was adopted December 10 2014 and revised April 1, 2017.

Benefits to System: The proposed policy ensures that all educational assistance programs are listed in one policy without conflicting language. This is a benefit for our employees and encourages them to further their education.

**B. Institutions Covered:** All academic courses must be taken at a public college or university or out-of-state public college or university that is a regionally accredited institution. The Appointing Authority may approve an exception to the public college or university when it is in the best interest of the college or Board Office.

**C. Approval Requirement:** The employee's supervisor and the college Chancellor, or the LCTCS President as applicable or their designee. Approval is required prior to the start of class. Exceptions shall be justified, documented, and kept on file at the college or Board Office.

**D. Benefit:** Reimbursement of the costs of approved job-related educational courses, professional certifications or licenses, or the acquisition of a degree. Such reimbursement consists of tuition and applicable mandatory attendance fees.

**E. Reimbursement Process:** Colleges and the Board Office should use the following procedures when reimbursing employees upon completion of appropriate courses:

1. Employees pay the required tuition and applicable mandatory fees initially and are reimbursed for the costs when the course(s) are completed and appropriate documentation is submitted.
2. To be eligible for reimbursement, the course(s) must be completed satisfactorily with a grade of "C" or better, or "Pass" if a Pass/Fail course.
3. The employee must produce documented proof of successful completion of the course(s) before reimbursement.
4. This benefit does not cover fees or financial penalties associated with a dropped course, a course from which the student withdraws, or other types of financial penalties due to failure by the student to meet set deadlines.

**F. Enrollment Limit:** Employees may take up to six (6) credit hours per semester (or the equivalent under other than regular semester systems).

**G. Enrollment Requirements:** Approved job-related educational courses, professional certifications or licenses, or the acquisition of a degree.

reimbursement payment) for each credit hour reimbursed. (For example, if 6 credit hours are taken, a continuation agreement of 12 months will be required.) If the employee separates from LCTCS prior to the end of the continuation period, the amount due back to the employer will be pro-rated.

**I. College Agreements:** To the extent possible in implementing this policy, LCTCS colleges should maximize the use of any available tuition/fee agreements with other four-year universities or colleges in providing discounted tuition or fee rates for employees attending these institutions.

*NOTE: Employees taking courses at a Louisiana college or university are encouraged to first consider using the Tuition Waiver option outlined in the previous section of this policy before requesting tuition assistance under this reimbursement option.*

However, employees are encouraged to schedule courses with minimal disruption to their regular work schedule by taking courses outside of regular work hours, on-line, or making up work hours missed with the supervisor's approval. In all such situations, the employee's taking of a course should not adversely affect department services.

Continued participation in this tuition exemption program will be based on making satisfactory progress as determined by the employee's supervisor. Satisfactory progress shall generally be interpreted to include completion of the course with a passing grade.

Please note that the provisions of this policy do not apply to self-supported programs. NOTE: This policy has been rewritten to include the following previous policies: Policy #6.037, Tuition and Fee Exemption for all Full Time Employees
