Dear Dr. Palermo:

Bossier Parish Community College (BPCC) is requesting LCTCS Board of Supervisors review and approval of the College's mission statement, as indicated below:

Bossier Parish Community College provides innovative, accessible, and caring learning environments that advance educational goals, cultivate community partnerships, and strengthen the regional economy.

In March 2019, the LCTCS Board of Supervisors approved BPCC's revised mission statement, after the College's strategic planning processes and focus groups with stakeholders indicated an updated mission statement was necessary to reflect the College's stated performance measures focusing on all aspects of student success. While we believe that the statement continues to align with our goals, we also recognize that it is good practice for our governing board to review our mission statement and ensure that our mission aligns with System priorities and goals for serving our students and communities.

If possible, we would appreciate your adding our request to the Consent Agenda for the December 2022 LCTCS Board of Supervisors meeting.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'R. Bateman, Jr.', with a stylized flourish at the end.

Dr. Rick Bateman, Jr.
Chancellor
