Background: On September 3, 2013, the Board approved revisions to Policy #4.003, Naming of LCTCS Facilities, which provides policy guidelines for naming tributes on college campuses. The revision recognizes the growth of college fundraising, and the passage of Senate Bill 204, requiring private matches for new facilities. This revision provides guidance and protection as it relates to the role of the Board, the college, and the college foundations. The policy requires colleges to develop a naming policy that is approved by the Board, prior to submitting naming tributes for Board approval.

Fiscal Impact: The fiscal impact is limited to the cost of signage, which will be funded by the college.

History of Prior Actions: The Board has approved similar naming policies for a number of LCTCS Colleges.

Benefits to the System: College naming policies that align with Board policy will ensure that naming tributes bring appropriate honor and distinction to the donor and the institution, enhance future giving opportunities to the college, provide for good stewardship of LCTCS facilities, and proper oversight by the college and the Board of Supervisors.

Approved for Recommendation to the Board
