

The University of Holy Cross/LCTCS Heart & Mind Transfer Scholarship

A TRANSFER SCHOLARSHIP AGREEMENT BETWEEN THE LOUISIANA COMMUNITY AND TECHNICAL COLLEGE SYSTEM AND University of Holy Cross

INTRODUCTION

The Louisiana Community and Technical College System (LCTCS) and University of Holy Cross (UHC) are committed to providing more transfer opportunities to those Louisiana citizens who want to pursue a bachelor's degree after completion of an associate's degree. The LCTCS and UHC seek to remove economic obstacles that prevent students who are active Phi Theta Kappa (PTK) Honor Society members from transferring to UHC upon completion of an associate's degree.

PTK exists to: 1) recognize and encourage the academic achievement of two-year college students and; 2) provide opportunities for individual growth and development through participation in honors, leadership, service and fellowship programming. To become a member of PTK, students must:

- Be enrolled in a regionally accredited institution offering an associate degree program
- Have completed at least 12 hours of coursework that may be applied to an associate degree
- Have a cumulative grade point average of at least 3.5

This agreement formally recognizes that through increased transfer opportunities, the LCTCS and UHC are collaboratively providing more ways than ever before for students to pursue their higher education dreams. This agreement will assist the LCTCS in quadrupling transfer students, a goal of *Our Louisiana 2020*, and will assist UHC in recruiting exceptional academic students.

PURPOSE

The purpose of this agreement is to formally recognize that UHC will provide scholarships to active PTK Honor Society graduates who meet the guidelines outlined below on a first-come, first-served basis until available funds are committed.
